## Don't miss out on the savings you can achieve by salary packaging.

Salary packaging lowers your taxable income so that you pay less tax, resulting in an increase to your take-home pay!

## What can you package?

### General Living Expenses

When you work for a Rebatable employer (such as private schools or schools with a religious denomination, trade unions or associations), you may be able to increase your take-home pay by salary packaging concessional-tax benefits up to \$15,900 each FBT year. This can be spent on expenses such as your **mortgage**, **rent** and money spent on your **credit card**.

You could also get up to \$2,403 additional tax-free money to spend towards meal entertainment (also concessional-tax).

We can make these expenses easy for you to manage so you never have to submit receipts. Talk to us about our card program so you can easily maximise these benefits.
